Dear Valued Customer,

Welcome to the new year! With Spring just around the corner, we're ready to get you back on the water. Our comprehensive Spring Commissioning pricing is more affordable than ever and will get your boat ready for a season of hassle-free boating.

It is necessary for you to complete the enclosed form in its entirety with your requested launch date, credit card information and authorized signature. You can return the agreement via mail, fax, or email.

Spring is the busiest time of the year for the marine industry. Scheduling your launch date **NOW** will help ensure your boat is ready to go when it is most convenient for you. **With that in mind, we would like all Spring Commissioning forms to be returned no later than March 15, 2022.** Launch dates are first-come, first served.

We are pleased to offer our assistance in preparing the Spring Commissioning forms for your boat. Please give our Service Department a call with any questions you may have. As always, we appreciate your continued business and look forward to taking care of all your boating needs. Your satisfaction is our #1 goal.

Sincerely,

The Team at Bosun's Marine Maryland
